

BUSINESS OPPORTUNITIES IN HIGH GROWTH MARKETS

Join the British Chambers of Commerce for a series of webinars on high growth markets and identify export opportunities for your business.

By joining this FREE series of webinars you will:

- Learn about the opportunities in high growth markets
- Find out about the export support you can access
- Be better equipped to break down barriers and expand your business

Register and you can choose which of the webinars you wish to join:

- South East Asia
- Africa
- Central and Eastern Europe
- The Middle East
- Latin America

You will hear impartial advice given by experts on the ground, based in British Chambers and business groups overseas. They will provide you with invaluable information about doing business in those markets, providing insight that goes beyond facts and figures.

Dates: 3rd February (and repeated on 5th February) From 8.30am - 4.30pm.

For more information on each session and to register for this free series of webinars visit
